General Price List

EFFECTIVE OCTOBER 7, 2026

Our policy is that fees are to be paid in full 24 hours prior to services being rendered. We accept major credit cards (a 3% technology fee applies to all credit card payments), checks, or cash. Before signing a contract, the customer is to be provided with a general price list and a copy of any prearranged agreement, if one exists. These prices are effective October 7, 2026, and are subject to change without notice.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. Regardless of any funeral arrangement you might choose, there is a base fee we have to charge to cover our overhead.

Prior to drafting any contract for goods or services, the responsible party of the decedent's survivors who is handling the funeral arrangements is entitled to receive a copy of any preneed arrangement in the possession of the funeral establishment that has been signed and paid for, in full or in part, by or on behalf of the decedent.
